In its seventh year since inception and this time OJAS 7.0 is going to be bigger, better, louder and more exciting than ever before!

Flagship events such as 'Finding Neo' and 'M-Power', corporate events such as 'CinePact' and star events like 'Qwizdom' and 'Cyber Wars' draw participation from across the country.

Not to forget the Cultural Extravaganza that Ojas has traditionally been famous for. Masti, dhamaal and excitement are all part of this three-day mega event. Since Mumbai is home to Bollywood, Ojas is higher than any other B-school on the glamour quotient. Distinguished personalities from all spheres of the Performing Arts grace the occasion with their presence and our signature Band event called "ProNite" has seen some of India's biggest bands jam on stage.

During the three days of Ojas, the SPJIMR campus is a veritable hub of activity and the euphoria is incomparable. Footfalls were close to 5000 last year and this year, we are looking at doubling those numbers. For those three days, Ojas 7.0 will be the place to be.
